

UPTOWN FUNK

TRANS. BY REDEYESPR

The musical score is written for guitar and bass in 4/4 time. It begins with a guitar part marked with a '7' indicating a barre. The score is divided into several sections:

- 8x Verse:** A section of eight measures featuring a rhythmic pattern of eighth notes with 'x' marks above them, indicating a specific technique.
- Pre-Chorus:** A section of four measures with a similar rhythmic pattern.
- (7x Verse) BACK TO PRE-CHORUS:** A section of seven measures that repeats the verse pattern and then transitions back to the pre-chorus.
- PLAY 3x:** Two sections, each consisting of three measures of the verse pattern.

The score concludes with a series of eighth-note chords and a final rhythmic flourish. The bass line is indicated by a double bar line with a 'II' symbol.
